**RESILIENCY AND FLOOD MITIGATION OFFICE**

**DRUMHELLER  
VALLEY**

## MEDIA RELEASE

November 10, 2020  
For immediate release

### **Palliser Regional Municipal Services' Drumheller Valley Land Use webmap now available**

Following feedback requests for digital maps to compare proposed land use districts and current land use districts Palliser Regional Municipal Services have launched a webmap available at [landplanning.drumheller.ca](http://landplanning.drumheller.ca) as of November 10, 2020.

On October 26<sup>th</sup>, 2020, the Town of Drumheller held public hearings for proposed Land Use Bylaw 16.20 (LUB) and proposed Municipal Development Plan Bylaw 17.20 (MDP). Feedback on the proposed documents was received at the public hearings and at the public engagement sessions through the dates of October 14<sup>th</sup> to 27<sup>th</sup>, 2020.

Feedback and comments have been incorporated into the proposed LUB and MDP and second drafts are now available for review.

The Town of Drumheller Council will be considering second reading of the proposed LUB and MDP during the regular Council Meeting on November 23<sup>rd</sup>, 2020. Prior to considering second reading, the Town is requesting comments to be submitted to [dlines@drumheller.ca](mailto:dlines@drumheller.ca) on the updated drafts by November 17<sup>th</sup>, 2020.

Second drafts of the LUB and MDP may be reviewed online at [landplanning.drumheller.ca](http://landplanning.drumheller.ca), or copies may be picked up at the Town of Drumheller Office at 224 Centre Street, Drumheller, Alberta, T0J 0Y4 from 8:00 – 4:30 pm.
